

Please do not weaken the Do Not Call law in the State of Indiana. It is the best of its type and does not need to be altered in any manner. If I want to do business with any firm, bank, charitable organization, I am fully capable of making that decision without being solicited. The same as I will not allow the "fuller brush man" to solicit at my door, I do not want banks or credit card companies soliciting on my telephone during the few hours that I have for relaxation.
